For more information on [Flowbus](#) or a copy of the latest stock lists, contact [Ascendant Technologies](#) on +44 1495 767210 or info@ascendant-technologies.com

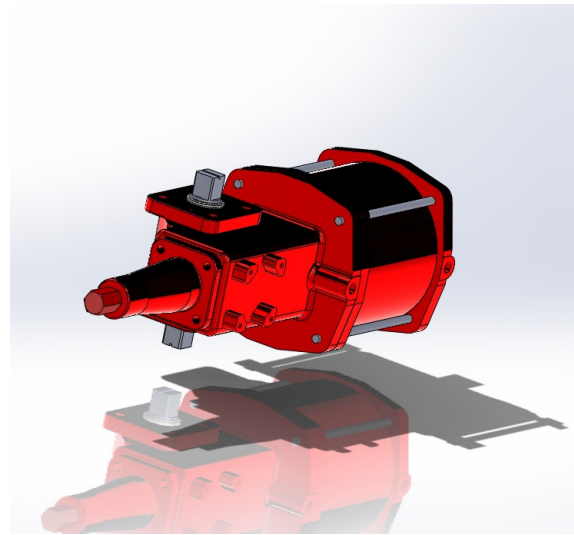

3D design

[Ascendant Technologies](#) has partnered with [SolidWorks](#) to produce designs and schematics in 3D for our clients.

The package also includes [FEA \(Finite Element Analysis\)](#) capability so that we can optimise the designs of our mounting hardware.

For more information contact Ascendant Technologies on +44 1495 767210 or info@ascendant-technologies.com

Relocation update

We are now fully settled in to our new premises and are already ordering more stock to better service our customers.

If you have an urgent requirement, check with us if we have stock which can be fitted and tested on your free-issue valve.

For more information, contact Ascendant Technologies on +44 1495 767210 or info@ascendant-technologies.com

More approvals

[Flowbus](#) have recently added 2 more major end user approvals to their growing list.

[KNPC](#) and [KOC](#) in Kuwait have both approved the Flowbus actuator following successful completion of their Vendor Assessment process.

For more information contact [Ascendant Technologies](#) on +44 1495 767210 or info@ascendant-technologies.com
